5k Run

5k Run with your dog

1 or 2 Mile Walk

RESCUE BOOTH SPACE APPLICATION

In 2016 we had over 1,000 participants and guests attending Walk, Run, Wag, not including over 40 sponsors & vendors.

Walk, Run, Wag 2016 fundraising efforts allowed Friends of MADACC to raise funds that directly impacted and benefited animals. We subsidized and fully sponsored adoption fees for cats & dogs. We continued our "Pit Bull Proud" program and outreach. We enhanced our "Cheesehead" program to fully sponsor dogs that had been at MADACC over 30 days. We had an outdoor play area built to improve the lives of dogs and increase adoptions. We continued the spay/neuter program, and we continued the "Kitten Kommando Force" project.

Please join us in these extraordinary efforts!

Adoption Area:

Through your booth, Friends of MADACC will be supporting a large adoption effort for MADACC placement partners to showcase their rescue organizations and adoptable animals after Walk, Run, Wag 2017. Friends of MADACC wants to promote all of their placement partners, since more dogs adopted from partners means more animals finding loving homes!

Booth spaces will be 10x10 at the event. Rescues will need to provide their own table, tent and chairs. No cats please.

Organization Information

Name of Organization: _____

Contact Person: _____

Address: _____

City: _____ **State:** _____ **ZIP:** _____

Daytime Phone: _____ **Evening Phone:** _____

Email: _____

Will you be selling items/services? YES NO (WI law requires sellers to display valid permit)

If yes, please describe the product/service: _____
